

Transportation of Hazardous Materials

- Transporting hazardous materials (such as gases, cryogenics and chemicals) by employees in public transportation (such as the shuttle bus) or in private or government vehicles is not permitted.
- **Transportation Department (x5404)** will transport hazardous materials provided they are unopened and still in their original DOT shipping containers.
- **EHS/Waste Management (x5877)** will transport hazardous materials that have previously been opened.
This is a free service.

For more information contact Roshan Shadlou, EH&S Division (x5877).
